

# Good News (tuto pour installer l'application Good News dans Chrome)

## 1. Applications

Dans Chrome cliquez sur "Applications"

## 2. Store

Web Store

Google Drive

Good News

**Cliquez sur Web Store**

## 3. Chrome Web store

## 4. Good News

Web Store

Google Drive

Good News

**Cliquez sur Good News**

## 5. Accéder au site

The screenshot shows the Good News website interface. At the top left, there is a logo with an infinity symbol and the text "Good News" and "proposé par goodnews.click". To the right, a green button says "ACCÉDER AU SITE WEB" with a red arrow pointing to it. Below this, the text "Cliquez pour accéder au site" is written in red. The main content area features a large article titled "Couric Get Could Mean Yet Another Chase Of The Online Video Carrot For Yahoo" with a sub-image of a woman. To the right of the article is a sidebar with sections: "Compatible avec votre appareil", "Votre flux de nouvelles personnel.", "LATEST CHANGES v4.0.100", "FEATURES", and "Informations supplémentaires". At the bottom, there is a navigation bar with icons for "Batman News", "RSS Merge & Reader", "Hash", "Watch BBC News", and "NEWS".

## 6. Inscrivez-vous

The registration banner for Good News features a green background with the text "Changez votre façon de lire les nouvelles. L'application Web Good News. Votre flux de nouvelles personnel. Gratuitement." Below this, a screenshot of the Good News app interface is shown. To the right of the screenshot is a registration form with fields for "Adresse e-mail", "Mot de passe", and "Mot de passe oublié". Below the form, there is a link "S'inscrire" and a "Se connecter via" section with icons for Facebook, Twitter, and LinkedIn. A red arrow points from the "S'inscrire" button to the registration text "Inscrivez-vous" at the bottom.

## 7. Insertion du code source du flux rss de Asor-Actu

Faites un copier /coller : <http://asor.fr/index.php?format=feed&type=rss>

## 8. Vous aurez automatiquement le lien dans les onglets du navigateur
